§ 1.562

acting, that would be furthered by the requested disclosure. Requesters shall be given an opportunity in the administrative process to provide explanatory information regarding this consideration.

- (ii) The primary interest in disclosure: Whether any identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." A fee waiver or reduction is justified where the public interest standard is satisfied and that public interest is greater in magnitude than that of any identified commercial interest in disclosure. The FOIA Officer ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return will not be presumed to primarily serve the public interest.
- (5) Where only some of the records to be released satisfy the requirements for a waiver of fees, a fee waiver will be granted only for those records which so qualify.
- (6) Requests for the waiver or reduction of fees should address the factors listed in paragraph (n)(3) and (4) of this section, insofar as they apply to each request. FOIA Officers will exercise their discretion to consider the cost-effectiveness of their investment of administrative resources in this decisionmaking process, however, in deciding to grant waivers or reductions of fees.
- (7) An appeal from an adverse fee determination will be processed in accordance with §1.559.
- (8) When considering a request for fee waiver, VA may require proof of identity.
